# DYNAMICS 365 BUSINESS CENTRAL LICENSING

**Business Central helps your customers to work efficiently, connect teams easily, collaborate effectively, and respond to change quickly.**

It's a standalone solution, which means it isn't fully compatible with every Dynamics 365 application.

Business Central, licensed by assigned user, is available in two packages: **Essentials and Premium**. Businesses can use one or the other, but not both.

## BUSINESS CENTRAL ESSENTIALS

Business Central Essentials does pretty much everything except make tea. Providing it to your customers will help them transform processes and operations right across their organisations.

### Essentials and Premium user licences include:

- Unrestricted Business Central Team Members access
- 3 External Accountant licences for organisations with third-party accountants who wish to connect to Business Central
- Unlimited companies
- 30 minutes access per organisation to Cortana Intelligence, which can compile data from different sources to deliver more actionable insights and analytics

### Business Central Premium includes all the Essentials capabilities, plus:

- Service Order Management and Manufacturing

### It includes:

- Financial Management
- AI-Supported Forecasting
- Customer Relationship Management
- Human Services
- Human Resources Management
- Project Management
- Supply Chain Management
- Warehouse Management and Inventory
