

# TECH FOR INNOVATION

TECHNOLOGY POWERS INNOVATION, CREATES VALUE AND BRINGS BRIGHTER FUTURE

Alibaba Cloud, founded in 2009, is a global leader in cloud computing and artificial intelligence, providing services to thousands of enterprises, developers, and governments organizations worldwide. Committed to the success of its customers, Alibaba Cloud provides reliable and secure cloud computing and data processing capabilities as a part of its online solutions. In January 2017, Alibaba Cloud became the official cloud services partner of the Olympics.
